

Econ 121 Principles of Microeconomics

Course Calendar (16-week)

Each week is considered to end on Sunday at 11:59 pm Pacific Time. This is important to remember, because all the homework, quizzes, exams, and extra credits are **due by Sunday at 11:59 pm Pacific Time. After reading the questions of each assignment, make sure choose all your answers before submitting them.** If you request a response from the instructor to your discussion postings (or Canvas email), make your postings well before the submission deadline. PLEASE NOTE THAT NOT ALL CHAPTERS IN THE BOOK ARE COVERED.
